

Welcome to Parklee Community Primary School- Reception

Positivity, Aspiration, Resilience, Kindness, Loyalty, Empathy, Excellence

What Will Children Wear?

In Reception children must wear the school uniform of maroon sweatshirt or cardigan and grey pants or grey or tartan skirt/pinafore, with either white or maroon polo shirts (maroon stay cleaner for longer). Children can also wear gingham dresses or shorts in summer. Uniform can be purchased from Rainbows or JayMax in Leigh or Icon on Market Street, Atherton.

Also, please provide spare clothing, in case of accidents or following messy activities, including spare socks and underwear. The spares will be kept in class and will be sent home each half-term.

Please label all items of clothing clearly with your child's name (using name labels or permanent marker) including their coat, bag and shoes.

What Will Children Need?

Children will need a suitable coat at all times as we access our outdoor provision constantly throughout the day and in different types of weather. Please also consider any other items of clothing suitable for the weather e.g. hats, gloves and scarf or sun hat, if appropriate.

Children will need to bring spare clothing to school in a small gym style bag which will stay in school (no rucksacks or large bags please due to peg space).

All children will need to bring a labelled water bottle daily containing water (as per school policy). We can then refill this when needed and send it home each night.

PE Kits

PE Uniform:

- Red T shirt
- Black Tracksuit: including tracksuit top and bottoms.
- Trainers (or pumps - ideally Velcro fastening for the younger children)

Children will come to school dressed in PE kit on their PE day and will stay in it all day. Appropriate PE kits can be bought from any store, but if you wish to purchase the school's tracksuit as seen in our picture with initials and school logo please visit one of our stockist uniform shops as mentioned above. PE days will be confirmed on a later date.

What Will Children Eat?

Snack

Children in Reception have access to free milk and toast in the morning and fresh fruit throughout the day.

Lunch

Reception children are entitled to free school dinners- this applies to ALL parents of children in Reception-Y2, so please take advantage. Dinners must be ordered electronically at home. (Please refer to the separate letter for lunches which will help you in being able to be set up with 'Evolve' our lunch provider to order your child's lunches from home).

Alternatively, please feel free to send your child in with a packed lunch if they would prefer. We are a completely nut-free school, so please avoid sending any foods containing nuts, including nut chocolate spreads.

Extra Information

Class Dojo

Class Dojo is a communication app which we use across school. It allows us to share letters and information about school and provides a secure messaging service between teachers and parents. We will use it to send as much information to you as necessary throughout the year (it also allows us to be eco-friendlier). Each child has a little monster and they can earn 'monster points' throughout their day. When children receive a set number of 'monster points', they will receive a prize as a positive reward. Please ensure that you have provided school with your current email address so that we can connect you to this app, therefore you will not miss any upcoming events or essential news and letters.

If you require any further clarification or information, please contact the school office.
